

REMBO LABS

An Odor Technology Company Since 1997

REMBO LABS is committed to manufacturing products that promote sustainability using natural and environmentally friendly resources.

REMBO LABS Air & Fabric Odor Eliminator is a non-toxic, industrial strength, fragrance-free, air and fabric odor neutralizer and eliminator. With four clinical trials substantiating its claims of safety, REMBO LABS does not mask or cover-up odors with any fragrances; it scientifically neutralizes and eliminates them completely.
